**Subject:** Follow up on photo op for City Year and Governor at Urban League dinner

---

Hello Nicole,

Hope you are well. Alton Adams is coordinating the photo op so that we can have an AmeriCorps member(s) with the Governor for our publicity.

The Gala will be held at the Columbia Marriott on Thursday 2/25. Alton will send you a copy of the Run of Show when it is completed.

It has been confirmed that Bain Capital, a national City Year sponsor, will once again be the signature corporate sponsor at our event! Bain will send a member of their team to Columbia. This individual will also be seated at your table.

If you can please provide Alton with information on how to best connect with you at the Convention Center next Tuesday, and the most appropriate time to take the picture that would be terrific. I'll be with City Year Milwaukee next week and unable to attend.

Thank you so much~  
Gail

City Year is an education-focused nonprofit organization that works to help keep students in school and on track to graduate by uniting teams of diverse, young AmeriCorps members for a year of full-time service in schools. Evidenced-based research has identified the early-warning indicators allowing us to identify the students likely to drop out of school. By focusing on attendance, behavior, and course performance, corps members serve as tutors, mentors and role models who are uniquely able to help students and schools succeed.
