Dear Robbie:

I am writing to you in reference to Vera Tharpe, who is presently at Emerald Gardens in Greenwood. Mrs. Tharpe is an Alzheimer's patient, and I understand that her funds have run out and she desperately needs a medicaid placement in the Greenwood area. Mrs. Tharpe is presently on the waiting list at all the facilities in Greenwood.

Robbie, could you please have a member of your staff look into this request for me? The best contact person would be her daughter, who is Camille Holroyd. Her address is 134 Avondale Road, Greenwood, South Carolina 29646. She can also be reached by telephone at (home) 864-229-6499 or (cell) 864-993-8050.

I certainly appreciate your continued assistance with my many requests, and I am sure Camille would welcome any suggestions, guidance and assistance that you can offer.

Sincerely,

John Drummond

Dear Ms. Holroyd:

Senator John Drummond asked our agency to assist you with questions regarding your mother's Medicaid application and healthcare needs.

Ms. Tharpe applied for Medicaid coverage through our Nursing Home program on July 20, 2006. Her eligibility worker, Ms. Kathi Dixon, has been in contact with you regarding the application process. Ms. Tharpe is currently on the waiting list at the nursing facilities in Greenwood and surrounding counties. As you requested, we have provided you with the contact person for each of the facilities where your mother is on the waiting list.

We also provided additional facilities to explore for placement. Medicaid applications are held pending for a limited time, therefore, as you are aware, your mother's Medicaid application will be denied before the end of the month if a bed is not located by this time. It will be important for you to contact Ms. Dixon if a bed becomes available after the denial.

We have enclosed information on Medicare Part D prescription drug programs. Please contact the Social Security Administration at 1-800-772-1213 for more information.

Another healthcare option is a Community Health Center (CHC). These centers provide health care to individuals in their area who lack the financial resources to pay for their services. Their charges for medical services will be based on your mother's income. Your nearest CHC is Carolina Health Centers in Greenwood at (864) 388-0301.

I hope this information is helpful to you and your family. If you have any questions regarding the Medicaid application process, please call Ms. Dixon at (864) 229-5258.

Sincerely,

Gary Ries

susan,

re: senator drummond forwarded request for assistance finding placement for vera tharpe, alzheimers in emerald gardens greenwood.

I spoke to her daughter, explained our role, not involved in placement, gave her advise about getting on the waiting list, calling back periodically to let them know of her continued interest in placement, etc. I am mailing her a list of facilities across the state so she can expand the search. she is on the waiting list in at least 8 facilities in the upstate.

I called kathy all, schca, to ask if she knew of any openings in alzheimers units, and it happens she did and is checking to see if still open. I gave her the contact info and such so she will contact the daughter tomorrow after she checks on the units she had heard about. they are in the charleston area.

I will let you know how this turns out,
arnetta

Hope. It looks to me that Drummond is seeking a placement for this person. Has susan seen this to see if there is something they can do?

Case is in pending status for nh, look-back completed and is ok. Authorized rep. states has not been able to find placement for her in a medicaid bed. Case will be denied for failure to enter a facility if client isn't placed before the end of the month. All eligibility requirements have been met, EXCEPT for placement and 30 day consecutive stay requirement.

Hope this helps!
