Hi Jamie,

South Carolina 811 is applying for the same grant that we did last year and will need another letter from Governor Haley. I have attached last years letter as well as a draft copy of the letter for this years grant, which you are welcome to edit. I will need this support letter by November 29.

Please let me know if you have any questions about the grant or our organization.

Thanks for your help as always.

Charleigh

The signed letter is up at the reception desk outside of the Governor's office in the Statehouse for you to pick up. Thank you for your patience.

I have all the information I need for the letter. Will present to the governor in the next week. Our office has no knowledge of a request for the proclamation you reference in your email.

Thank you,

Hi Jamie,

Just checking in to see if you need any other information from me about the grant letter.

Also, I heard from a utility company that Gov. Haley is planning on proclaiming August 11 as 811 day? Is that correct? Is so, how can I get a signed copy of the proclamation?

Thank you,

Thank you for sending the letter. Since we are a new administration, it would be helpful in order to brief the governor on your request if you could send the grant information (what it is, how much it is, how it is used) along with how long you all have been applying and receiving the grant.

Also, do you need a letter of support from the governor in order to apply for the grant?

Thank you for your assistance,

Charleigh,

Leigh LeMoine sent me your request. Please send me a Word document of the letter you would like the governor to sign. I'll review it within the next week and let you know if we need to make any edits.

Please let me know if you have any questions.
