South Carolina State Parks

at 16:00:00 on 2/26/2014 UTC · 🌐

Thanks to the Homebuilders Association of Greenville for helping us renovate a cabin at Paris Mountain State Park on Feb. 21 & 22. We appreciate Eddie Howard of Howard Custom Builders and Andrew Woodford of ABW Construction giving up weekend to make a difference at Camp Buckhorn. It's the second time the Homebuilders have been out to help at Paris Mountain! We are still raising money to renovate the 10 cabins at the park. If you would like to help, you can make a donation by clicking here: <http://beautifulplacesalliance.org/help/give-today.aspx>

Robbie Burger I would love to donate but I don't have much money. Does Paris Mountain not make enough revenue from park entrance fees to pay for the renovations? Is there money for these kind of improvements through the Department of Parks, Recreation & Tourism?

Wendy Waites Greenwood People can donate to the sc state parks when they file their sc taxes. Just think what could be accomplished if everyone donated as little as \$1.00.
