My name is Jacorie McCall and I'm 15 years old from Dillon, S.C. and I have a 4.5 GPA. I'm in the 9th grade, and I want to stand united as an American at a time like this. Let me give you a brief history. I'm from South Carolina and I have said the Martin Luther King speech; "I have a dream" all over the state. I have been saying it since I was 8 years old. From the SC state house to the SC Court of Appeals. From Local churches to local businesses and varies courthouses. I will be honored to do it for you. I plan to run for president when I grow up so if you like to consider it please email back as soon as possible. I have wrote to the White House many times and no feed back, I understand the president is a busy man but I will like to say the speech for you (my govonor) for your term ends. Please make a 15 year old boy dream come true.
