Hi Chaney and Rob, hope you both are doing well! I know Mitch reached out to you guys a few weeks ago but wanted to touch base personally myself. As you know, I'll be at the RNC next week, embedding with the S.C. delegation at the hotel, and I'd love to set up a time to interview the Governor at some point during the week about the state of the GOP and how she sees herself fitting into the party's future. Please let me know if you think we can coordinate something! If you also are in a position to share her schedule, totally off the record/for planning purposes, that would be much appreciated. For instance, does she plan to spend the whole week in Cleveland?

Thank you both as always and hope we get to see each other in Cleveland,

Emma
