Dear Ms. Haley:

I am an eighth grade student in an English 1 class at Rollings Middle School of the Arts in Summerville, South Carolina. I am working on an investigative portfolio project researching the different aspects of women in politics.

My project requires me to explore primary sources of information, and that is what let me to your organization. I would be very appreciative if you would mail any kind of print material (brochures, pamphlets, etc.) on women in politics to me by October 2nd, 2015.

Thank you for your time and your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Victoria Trump". The script is cursive and fluid, with the first name "Victoria" and the last name "Trump" clearly distinguishable.
