Dear Governor I am visiting your city next week I have cancer I am saddened I have made reservation my husband and I to be told by family and friends . mosquito problem at it worst i live in Miami for 65 years our Governor took this condition very serious I can't cancel my trip I am buying property I hope in the Manning SC and Foreston trucks can get out to hit these area I call the next day at our home my yard was completed sprayed for the problem . I am not sure if anyone has brought to your attention how serious this problem is I am looking at property in the Foreston area 29102 taking care business in Manning SC as well .I want to be able to handle my business without being sent to the emergency room. I brought this matter to you Senator Ronnie Sabb a family member of mind very respected in the area of South Carolina I hope trucks can get out spray soon I can't cancel my trip I have spent lots of money to handle business .thank you I pray my trip will be successful one .thank you Mrs Green
