Katherine - I don't want to embarrass myself but I am not sure who this is. Can you fill me in before I respond? Looking forward to seeing you.

Best, Cathy

Cathy,

Hope all is well. We are excited about the event. I will working with you in the Governor's office to make sure you get everything you need.

Would you mind sending me any information you have for the event as far as layout/setup, attendees, background, run of show/line by line, and any other information you think might be important? Sorry if any of these questions are duplicative.

Is there anything that you need from our office at this time?

Jeff
