Subject: enough time?

Hi Katherine,

Is 646 days enough time to decide if someone deserves to be fired?

Because my opponent, Ann Kuster, has been in Congress for 646 days, and in that time she's not held a single town hall meeting with New Hampshire voters!

Instead of participating in this American tradition, she prefers to spend her time in Washington, DC – voting with Nancy Pelosi and President Obama 94 percent of the time!

My name is Marilinda Garcia and I'm running for Congress in New Hampshire's Second Congressional District because I believe that in order to change Washington, we need to elect new leaders with bold ideas who are willing to fight for what they know is right.

With just 23 days to go, I'm counting on your financial support of \$5 or more to send a key ally of Barack Obama and Nancy Pelosi packing .

Together, we can make a real difference and ensure we have accessible and responsible leadership in Washington.

Sincerely,

Marilinda Garcia
Candidate for Congress in New Hampshire's Second Congressional District

P.S. My opponent has not held a townhall meeting in 646 days and instead spends her time voting with Barack Obama and Nancy Pelosi 94 percent of the time! Please invest \$5 or more to send a next-generation conservative leader to Washington who will shake up the status quo !
