Christian,

As a heads up., PEBA Board approved today a PCMH pilot for MUSC. I mentioned it to you a couple of weeks ago. It will take B&CB approval at the September 3rd meeting. While all the employees of MUSC can choose to use the std SHP benefits, the PCMH is a new plan with some costs shifts for incentives. The pilot plan is not grandfathered. Adam Beam was present at the meeting and may write a story tomorrow. Don't know that he will focus on the ACA. We can give you a briefing tomorrow.

Christian,

I'll have a couple of pages of documents re: the projected 2015 budget for the State Health Plan. How many sets of copies should I bring? Thanks.
