David, the total cost per each accident report is estimated at \$17.93 or DOT's share for 150,000 estimated accident reports for a calander year for **\$2,689,500** or over \$2.7M in costs to DMV per my earlier email sent to you.

The 2nd sheet shows detail for \$ per keystroke.

I hope this helps. My home # is 749-1559 or cell# 331-5568
