We'll have to see if anyone is coming to Greenville or Anderson before Wednesday. Ask Clay if he or Britt is coming up to do the Spartanburg event. They can bring them to sign.

Hello Lily,

Thanks so much for your call, and sorry to miss it.

We are in the process of preparing for the South Carolina Arts Awards ceremony on May 2<sup>nd</sup>, at which recipients of the Jean Laney Harris Folk Heritage Award and the Elizabeth O'Neill Verner Governor's Award for the Arts will be honored. As you may know, the South Carolina Lieutenant Governor and the Speaker of the House each make two appointments to the Jean Laney Folk Heritage Award Selection Committee. With this special connection, the Lieutenant Governor and the Speaker of the House sign the award certificates each year. These framed certificates are presented to the award recipients at the ceremony each year.

Currently, the certificates are with the Speaker of the House's office, and I anticipate getting them back today or Monday. I am wondering whether I could schedule a time early next week when the Lieutenant Governor could sign the award certificates? I will then need to take them to the framer in order to have them ready for the ceremony. Your help in facilitating this process would be much appreciated. I would be happy to leave them with your office, so that the Lieutenant Governor could sign them at his convenience.

For your reference, here is a link to the press release with information about the awards:

Thank you so much!

All the best,

Laura
