You have shown the world that you want to be the one that paves the way to remove the confederate flag, get rid of monuments, and in other words erase all of our southern heritage that we hold so dear to our hearts. PLEASE RESPECT EACH AND EVERY PERSON IN SOUTH CAROLINA AND LET US VOTE TO DECIDE WHETHER OR NOT WE SHOULD START DOWN THIS PATH OF DESTROYING OUR HISTORY. From the time that you got up and made your speech, there has been a constant attack on Southern history. You are the one who has started this uproar. If you can't give South Carolina the honor and right to vote on this issue, then you need to resign!!! I was one of the people who voted for you and now you are making me regret my decision. Please take everyones outlook on this under consideration and LET THE PEOPLE DECIDE!! LET US VOTE!!!!!!!!!!!!!! END OF STORY!!!
