Hurricane PSA Script

My name is Kevin Bryant and I am honored to serve as your Lieutenant Governor.

The Atlantic hurricane season is here.

Forecasters have already predicted an “above average” hurricane season so it is important to be prepared.

Pick up THIS South Carolina Hurricane Guide at any Walgreens store or South Carolina Welcome Center statewide to learn more.

You can also find information at SCEMD.org.

To all South Carolinians...Preparation CAN save lives.

Tori Beth Black

Director of Communications

Office of the Lieutenant Governor
