SECTION 12: On motion of Commissioner Whitehead, duly seconded, the Commission unanimously passed a motion to go into Executive Session.

EXECUTIVE SESSION

The Commission went into Executive Session for the purpose of discussing legal issues regarding proposed Department contracts.

OPEN SESSION

SECTION 13: On motion of Commissioner Loftus, seconded by Commissioner Mack, the Commission unanimously passed a motion authorizing the Department of Transportation to prepare and advertise, by September 1, 1994, a Request for Proposal for the public-private partnership agreement to accelerate completion of the Conway Bypass and passed a further motion that the South Carolina Department provide to interested applicants, at a Department cost not to exceed \$2,5000.00, a project package of all relevant information about the Conway Bypass to include preliminary plans studies, reports, a detailed summary of all project activities undertaken and completed to date (including the status of all approving processes for location and design, environmental clearances and permit requirements) and information concerning work in progress, said package to be as complete as possible to minimize the amount of additional information that qualified private responders may need in order to submit a responsive proposal.

SECTION 14: On motion of Commissioner Mullinax, duly seconded, the Commission unanimously passed a motion authorizing the Department to reject the proposals for Federal and State legislative liaison and to prepare and advertise separate requests for proposals, to serve as liaison with the South Carolina General Assembly for the South Carolina Department of Transportation and possibly with the Department of Public Safety, and a second RFP to serve as liaison with the Federal Government for the South Carolina Department of Transportation and Public Safety.

SECTION 15: On motion of Commissioner Jefferson, seconded by Commissioner Whitehead, the Commission unanimously passed a motion to approve the concept of a bridge replacement program using innovative financing methods.

Revision of Approved State Mass Transit Fund
Allocations for Fiscal Year 1993-94, as amended

It is requested that the Transportation Commission revise the State Mass Transit Fund Allocation for Fiscal Year 1993-94, as approved on April 7, 1994 and amended, to include the Greenville Transit Authority's capital and operating projects as outlined on the following schedule. A detailed review was conducted of the Greenville Transit Authority's capital conditions and operating performance by the Division of Mass Transit between May 15 and July 15, 1994. It is the finding and recommendation of the Division of Mass Transit that the Greenville Transit Authority satisfactorily meets the Department's performance expectations on a conditional basis.

The concurrence of the Commission is requested.
