Subject: Your recent download with your Apple ID

Dear Holly Pisarik,

Your Apple ID, hollypisarik@gov.sc.gov, was just used to download AirWatch Agent from the App Store on a computer or device that had not previously been associated with that Apple ID. You may also be receiving this email if you reset your password since your last purchase.

If you initiated this download, you can disregard this email. It was only sent to alert you in case you did not initiate the download yourself.

If you did not initiate this download, we recommend that you go to iforgot.apple.com to change your password, then see [Apple ID: Security and your Apple ID](#) for further assistance.

Regards,
Apple
