DEPARTMENT OF TRANSPORTATION OF SOUTH CAROLINA

Meeting of

May 22, 2002

The regular monthly meeting of the Department of Transportation Commission was held at 10:00 a.m. at the South Carolina Department of Transportation Headquarters Building in Columbia, South Carolina. In compliance with the Freedom of Information Act, the news media was advised in writing of the time, date and place of this meeting.

Present

L. Morgan Martin, Chairman, Presiding
Howell Clyborne
John N. Hardee
Robert W. Harrell, Sr.
B. Bayles Mack
Eugene C. Stoddard
J. "Moot" Truluck

Absent

Also Present: Elizabeth S. Mabry, Executive Director

SECTION 1: The Minutes for the meeting of April 25, 2002; copies of which had been previously mailed to each member of the Commission, were approved.

SECTION 2: On motion of Commissioner Truluck, seconded by Commissioner Mack, the Commission unanimously passed a motion to withdraw the following sentence from Section 3 of the Minutes of April 25, 2002:

"The Commission passed a further motion requesting that information on the sale of surplus right of way property be provided to the Commission prior to approval by the Executive Director."

SECTION 3: The Commission unanimously passed a motion approving the sale of surplus right of way property, as shown in detail in the Appendix.

SECTION 4: The Commission unanimously passed a motion approving the request of the Department to prepare quitclaim deeds for the sale of surplus right of way property, as shown in detail in the Appendix.

SECTION 5: The Commission unanimously passed a motion approving the request of the Department to advertise for and select consultants to ensure adherence to environmental regulations, as shown in detail in the Appendix.

SECTION 6: The Commission unanimously passed a motion approving the request of the Department to advertise and select engineering firms to provide construction engineering and construction inspection services on an "on call" and "as needed" basis, as shown in detail in the Appendix.

SECTION 7: The Commission unanimously passed a motion approving the request of the Department to advertise and select engineering firms to provide construction engineering and construction inspection for the Bobby Jones Expressway project, as shown in detail in the Appendix.

SECTION 8: The Commission unanimously passed a motion approving the request of the Department to advertise and select a consulting firm to provide engineering services for the Georgetown Drainage Improvement project, as shown in detail in the Appendix.

SECTION 9: The Commission passed a motion accepting a report by the Department of contract modification #1, PIN #27738, File #'s 02.885, 02.885.1, 02.885.2, 02.885.3, 02.885.4, and 02.885.5. Aiken County. Commissioner Mack abstained from voting on this motion.

SECTION 10: The Commission unanimously passed a motion accepting a report by the Department of contract modification #11, PIN #27376, File #8.125B, 9.110B, 10.136B and 38.128B, Berkeley, Calhoun, Charleston and Orangeburg Counties, as shown in detail in the Appendix.

SECTION 11: The Commission unanimously passed a motion approving contract modification #1401-2002, Pin #24161, Fairfield County, as shown in detail in the Appendix.

SECTION 12: The Commission unanimously passed a motion approving contract modification #10, Pin #26097, File #28.119B, Kershaw County, as shown in detail in the Appendix.

SECTION 13: The Commission unanimously passed a motion approving a report by the Department of contract modification #21-99, PIN #23124, File #28.755, Kershaw County, as shown in detail in the Appendix.

SECTION 14: The Commission unanimously passed a motion approving contract modification #23-99. PIN #7154, 9064, 9123, File #30.694.1 & 2, Laurens County, as shown in detail in the Appendix.

SECTION 15: The Commission unanimously passed a motion approving the action of the Department in extending a construction contract in Charleston County beyond the contract limits, as shown in detail in the Appendix.

SECTION 16: The Commission unanimously passed a motion approving the action of the Department in extending existing bituminous retreatment contracts to include additional resurfacing work, as shown in detail in the Appendix.

SECTION 17: The Commission unanimously passed a motion approving the action of the Department in extending existing construction contracts to include additional work, as shown in detail in the Appendix.

SECTION 18: The Commission unanimously passed a motion approving the action of the Department in removing roads from the State Highway System, as shown in detail in the Appendix.

SECTION 19: The Commission unanimously passed a motion approving the action of the Department in removing a road a Laurens County from the State Highway System, as shown in detail in the Appendix.

SECTION 20: The Commission unanimously passed a motion adding a sections of road in Allendale County to the State Highway System, as shown in detail in the Appendix.

SECTION 21: The Commission unanimously passed a motion approving the request of the Department concerning projects in the April 9, 2002 letting, which are shown in detail in the Appendix.

SECTION 22: The Commission unanimously passed a motion approving the action of the Department in awarding a highway construction contract for which bids were received in a special letting on April 26, 2002 and shown in detail in the Appendix.

SECTION 23: On motion of Commissioner Hardee, seconded by Commissioner Mack, the Commission unanimously passed a motion approving a concurrent resolution naming the interchange at the intersection of Interstate Highway 77 and Shop Road in Richland County the "Lieutenant Colonel George D. Martin, III Interchange", as shown in detail in the Appendix. The sign will read "The Lieutenant Colonel George "Marty" Martin, III Interchange".

(P)

SECTION 24: On motion of Commissioner Truluck, seconded by Commissioner Mack, the Commission unanimously passed a motion naming a 2 1/2 mile section of Highway 45, beginning at Green Sea Road, which is Highway 410, west to Mill Pond Road, as the "Lee Johnson Highway". Commissioner Truluck requested that a resolution be prepared by Department staff showing this action.

(P)

SECTION 25: On motion of Commissioner Clyborne, seconded by Commissioner Truluck, the Commission unanimously passed a motion to name the Western Corridor, which is presently under construction in Greenville, the "Dr. L. Pete Hollis Memorial Highway". Commissioner Clyborne requested that a resolution be prepared by Department staff showing this action.

(P)
SHEKRA
503
ALSON

SECTION 26: On motion of Commissioner Clyborne, seconded by Commissioner Mack, the Commission unanimously passed a motion to rename Exchange Street, which is the main entrance to the Donaldson Center in Greenville, as "C. D. Bishop Boulevard". Commissioner Clyborne requested that a resolution be prepared by Department staff showing this action.

(P)

SECTION 27: On motion of Commissioner Clyborne, seconded by Commissioner Mack, the Commission unanimously passed a motion approving a concurrent resolution requesting the Department to name the Williams Street Bridge in Spartanburg the "James E. Talley Bridge", as shown in detail in the Appendix.

(P)

SECTION 28: There being no further business to come before the Commission, the meeting was adjourned at 11:00 a.m.

L. Morgan Martin, Chairman

Appendix

Department of Transportation Commission

Meeting of

May 22, 2002

The following deeds were initiated and executed prior to the April 2002 meeting of the Commission.

1. File MSC 194 / US Route 21/ Colleton County

In order to better perform its maintenance responsibilities, the Department purchased MSC 194 in Colleton County, near the Town of Bell's Crossroads, the Department acquired the Bell's Crossroad Maintenance site, by Title to Real Estate from Halbert O. Dantzler dated July 15, 1970.

The District Engineering Administrator for District 6, with concurrence of management, has determined that the Bell's Crossroad Maintenance site is no longer needed and should be liquidated from the Department's inventory. After receiving approval from the South Carolina Budget and Control Board, the property was marketed to the general public with signs, newspaper ads, and all necessary means to attract a qualified buyer. A bid sale was set up and consummated. The Grantee offered the highest acceptable bid above the appraised value of \$8,800.00. Therefore, a Quitclaim Deed for approximately 2.00 acres of land to William Leonard Claxton, Sr. in consideration of \$9,001.00 was executed on April 3, 2002.

2. File 23.996 / SC Route 146 (Woodruff Road) / Greenville County

During construction of improvements on SC Route 146, under File 23.996 in Greenville County, near the City of Greenville, the Department acquired right of way for SC Route 146, by Title to Real Estate from Leawal, Inc. dated April 23, 1986 and by the Beltline Act.

The adjacent property owner initiated a road closure action to petition the Department to relinquish a portion of Old Woodruff Road, which has been abandoned. The Department did not oppose the court action but did set an agreed upon value for the land that it owned in fee simple. The engineering sections did determine previously that this parcel was surplus to the Department's needs. Therefore, a Quitclaim Deed for approximately 0.17 of an acre of land to Woodruff Road Investors, LLC in consideration of \$10,000.00 was executed on March 20, 2002.

3. File 26.856 / Conway Bypass / Horry County

During construction of improvements on Conway Bypass, under File 26.856 in Horry County, near the City of Conway, the Department acquired right of way for Conway Bypass, from Benjamin E. Edge, Jr. by Title to Real Estate dated January 12, 1994.

A request was received from the adjacent property owner in connection with the project above, asking to purchase back any right of way that was acquired from him that is no longer needed. The subject tract is landlocked behind a control of access and has little value to anyone but the former owner who owns the adjacent property. The property owner has agreed to purchase back the property at the same value by which it was acquired. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 1.95 of an acre of land to Benjamin E. Edge, Jr. was executed on April 15, 2002 in consideration of \$4,875.00.

1. File MSC 194 / US Route 21/ Colleton County

In order to better perform its maintenance responsibilities, the Department purchased MSC 194 in Colleton County, near the Town of Bell's Crossroads, the Department acquired the Bell's Crossroad Maintenance site, by Title to Real Estate from Halbert O. Dantzler dated July 15, 1970.

The District Engineering Administrator for District 6, with concurrence of management, has determined that the Bell's Crossroad Maintenance site is no longer needed and should be liquidated from the Department's inventory. After receiving approval from the South Carolina Budget and Control Board, the property was marketed to the general public with signs, newspaper ads, and all necessary means to attract a qualified buyer. A bid sale was set up and consummated. The Grantee offered the highest acceptable bid above the appraised value of \$8,800.00. Therefore, a Quitclaim Deed for approximately 2.00 acres of land to William Leonard Claxton, Sr. in consideration of \$9,001.00 was executed on April 3, 2002.

2. File 23.996 / SC Route 146 (Woodruff Road) / Greenville County

During construction of improvements on SC Route 146, under File 23.996 in Greenville County, near the City of Greenville, the Department acquired right of way for SC Route 146, by Title to Real Estate from Leawal, Inc. dated April 23, 1986 and by the Beltline Act.

The adjacent property owner initiated a road closure action to petition the Department to relinquish a portion of Old Woodruff Road, which has been abandoned. The Department did not oppose the court action but did set an agreed upon value for the land that it owned in fee simple. The engineering sections did determine previously that this parcel was surplus to the Department's needs. Therefore, a Quitclaim Deed for approximately 0.17 of an acre of land to Woodruff Road Investors, LLC in consideration of \$10,000.00 was executed on March 20, 2002.

3. File 26.856 / Conway Bypass / Horry County

During construction of improvements on Conway Bypass, under File 26.856 in Horry County, near the City of Conway, the Department acquired right of way for Conway Bypass, from Benjamin E. Edge, Jr. by Title to Real Estate dated January 12, 1994.

A request was received from the adjacent property owner in connection with the project above, asking to purchase back any right of way that was acquired from him that is no longer needed. The subject tract is landlocked behind a control of access and has little value to anyone but the former owner who owns the adjacent property. The property owner has agreed to purchase back the property at the same value by which it was acquired. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 1.95 of an acre of land to Benjamin E. Edge, Jr. was executed on April 15, 2002 in consideration of \$4,875.00.

4. File 23.277A / SC Route 14 / Greenville County

During construction of improvements on SC Route 14, under File 23.277A in Greenville County, near the Town of Greer, the Department acquired right of way for SC Route 14, by Title to Real Estate from Charles E. & Mary L Carter dated July 23, 1998.

The plans on the above project were revised after the consultant group working on this project had acquired the new right of way. This resulted in an encroachment of 3,298 square feet on the Grantees property by the new roadway. In order to correct this situation, the Department has agreed to convey an equal amount of surplus property to the Grantee for payment of and credit towards the new right of way needed for the project. Therefore, a Gratis Quitclaim Deed for approximately 0.07 of an acre of land to Donald E and Wilma F. Cromer was executed on April 15, 2002.

5. File 10.432A / Interstate I-26 / Charleston County

During construction of improvements on US Route 17, under File 10.432A in Charleston County, near the City of Charleston, the Department acquired right of way for Interstate I-26, by Condemnation from Eveline B. Mitchell, Mary Mitchell, Personal Representative of the Estate of Richard Boone, Sr. by Condemnation dated May 3, 2001.

While acquiring new right of way for the Cooper River Bridge project, it was necessary for the Department to acquire an operating pump station owned by the Charleston Commissioners of Public Works. An agreement was reached whereby the Department would convey a small surplus parcel acquired on the project to the Commissioners of Public Works in exchange for their parcel, which was needed for new right of way. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.055 of an acre of land to Commissioners of Public Works for the City of Charleston, South Carolina was executed on April 24, 2002.

6. File 7.581 / US Route 278 (Cross Island Expressway) / Beaufort County

During construction of improvements on US Route 278, under File 7.581 in Beaufort County, near the Town of Hilton Head, the Department acquired right of way for US Route 278, by General Warranty Deed from HHP Limited Partnership dated May 25, 1994 and by Title to Real Estate from Frederick C. Hack, Jr. Dated April 11, 1995.

The Town of Hilton Head Island and the Department have entered into an agreement for the town to purchase two tracts of surplus property that were acquired because of damage due to a new control of access along US Route 278. This left the two properties with one Right-In/Right-Out entrance. The total agreed upon purchase price for the tracts was \$973,000.00. In consideration of the town constructing a new culvert and bearing the expense of other highway drainage improvements, it was agreed that the town would receive credit towards the \$973,000.00 price of the property. An expenditure list was received (and verified by District 5) that totals \$809,301.00, which leaves the balance on the on the part of the town at \$169,699.00. Therefore, a Limited Warranty Deed for approximately 12.45 acres of land to the Town of Hilton Head Island was executed on March 27, 2002 for a sales price of \$163,699.00 and other considerations.

7. File 23.246A / Interstate I-85 at Old Augusta Rd / Greenville County

During construction of improvements on Interstate I-85, under File 23.246A in Greenville County, near the City of Greenville, the Department acquired right of way for Plantation Drive, by Title to Real Estate from Luther Winford Stinger Estate dated April 26, 1993 and by the Beltline Act.

A request was received from the adjacent property owner asking the Department to sell a small piece of surplus property to allow the church to expand its parking lot. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. It is necessary for the Department to retain a 20-foot drainage easement across this parcel, which has been incorporated into the deed. Therefore, a Quitclaim Deed for approximately 0.170 of an acre of land to The Church of Christ in consideration of \$2,000.00 was executed on April 25, 2002.

It is recommended that the Commission approve the request of the Department to prepare quitclaim deeds for the sale of surplus right of way property as follows:

1. File 23.842 / Road S-64 / Greenville County

During construction of improvements on Road S-64, under File 23.842 in Greenville County, near the Town of Moonville, the Department acquired right of way for Road S-64 by Right of Way Easement from Grace M. Phillips dated June 20, 1980 under File 23.687 and by Right of Way Easement from Grace Charles Martin dated August 14, 1974 under File 23.842.

A request was received from an adjacent property owner through his attorney, asking the Department for assistance by conveying three small parcels of abandoned right of way. This action will clear title on the property so that the sale of the property can be concluded. It is necessary for three individual deeds to be executed because three landowners in the family are involved. The request was circulated to the Engineering sections to determine if said parcels could be declared surplus. After review it was determined that the parcels are surplus to Department needs. Therefore, it is recommended that these Gratis Quitclaim Deeds for a *total* of approximately 0.083 of an acre of land to Grace Martin Phillips and E. R. Martin Limited Partnership be prepared.

2. File 19.102B / SC Route 230 @ Road S-53 / Edgefield County

During construction of improvements on SC Route 230 at Road S-53, under File 19.102B in Edgefield County, near Anderson Branch Creek, the Department acquired right of way for the intersection of SC Route 230 and Road S-53, by Condemnation from L.H. Turner, Jr. dated August 9, 1957 under Road S-53, File 19.328 and from L.H. Turner by Condemnation dated November 30, 1967 under SC Route 230, File 19.438.

The Department is making improvements to the above intersection, which will eliminate several parking spaces and affect the access to a country store. As a solution, it was agreed by District 2 that a protective median would be constructed and a parcel of right of way would be conveyed to the store owner for relief of his parking and access problems. A Reverter Clause has been incorporated in the deed that will allow the Department to reacquire the parcel as deemed necessary. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.06 of an acre of land to Greg Kendrick be prepared.

3. File 26.300 / Road S-197 / Horry County

During construction of improvements on Road S-197 (Ocean Boulevard), under File 26.300 in Horry County, near the City of Myrtle Beach, the Department acquired right of way for Road S-197 by Dedication from the City of Myrtle Beach dated May 27, 1952.

A request was received from the adjacent owner for the Department to convey a small triangular parcel. The City of Myrtle Beach constructed improvements and reconfigured the intersection of Road S-287 and Road S-197. The Grantee donated the land and landscaping for the new construction and would like to landscape the subject parcel. The request was circulated to the Engineering sections to determine if said parcel could be

declared surplus. After review it was determined that the parcel was surplus to Department needs. This deed will contain a Reverter Clause should this land ever be needed for future right of way. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.22 of an acre of land to Myrtle Beach Farms Company be prepared

4. File 26.836 / US Route 501 and Dick Scobee Drive / Horry County

During construction of improvements of US Route 501, under File 26.836 in Horry County, near the City of Myrtle Beach, the Department acquired right of way for US Route 501, by Title to Real Estate from The Pantry, Inc. dated July 31, 1996 and from Walter M. Hucks and Sybil H. Hucks by Title To Real Estate dated April 9, 1996.

During the acquisition of new right of way on the above project, the Department agreed to convey the remainder of Tracts 22 & 23 to the adjacent property owner in order to settle a difficult Condemnation case. It was decided there was a difference in value of the land being conveyed verses the property that was acquired for right of way. The Grantee has agreed to pay the Department the difference in the values, which is \$20,000.00. Therefore, it is recommended that a Quitclaim Deed for approximately 0.72 of an acre of land to Walon C. Cox, Jr. be prepared in consideration of \$20,000.00.

5. File 27.511 / Road S-433 Relocation / Jasper County

uring construction of improvements on Road S-433 Relocation, under File 27.511 in Jasper County, near the Town of Bluffton, the Department acquired right of way for Road S-433 Relocation, by Condemnation from Gertie D. & James R. Rivers dated September 19, 1997.

While constructing improvements to Road S-433 under the above project, it was determined that the cul-de-sac at the end of the road was not needed and should be eliminated from the project. The right of way for the cul-de-sac had previously been condemned. In order to settle this difficult condemnation case, the legal section has agreed to convey the property back to the Grantee from whom it was originally acquired. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.23 of an acre of land to Gertie D. & James R. Rivers be prepared.

6. File 40.468A / Interstate I-26 / US Route 176 / Richland County

During construction of improvements on Interstate I-26, under File 40.468A in Richland County, near the City of Columbia, the Department acquired right of way for US Route 176 Interchange, by Title to Real Estate from Baco, Inc. dated January 11, 2002 and from Broad River-Irmo Associates LTD by Condemnation dated June 24, 1999.

In order to settle a difficult acquisition case, the Department agreed to convey a small parcel of property to the adjacent property owner in exchange for right of way needed for the above project. The subject parcel will provide access to a business location that is effected by the configuration of the new intersection. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.36 of an acre of land to Interstate 26 Ballentine Partnership be prepared.

7. File MSC 10 / SC Route 6 / Lexington County

In order to better perform its maintenance responsibilities, the Department purchased MSC 10 in Lexington County, near the Town of Swansea. The Department acquired the Swansea Maintenance Site by Title to Real Estate from H. M. Sharpe dated January 28, 1948.

The District Engineering Administrator of District #1, with the concurrence of management, has determined that the Swansea Maintenance site is no longer needed and should be liquidated from the Department's inventory. After receiving approval from the South Carolina Budget and Control Board, the property was marketed to the general public with signs, newspaper ads, and all necessary means to attract a qualified buyer. A bid sale was set up and consummated. The Grantee offered the highest acceptable bid of \$24,001.00 which is above the appraised value. Therefore, it is recommended that a Quitclaim Deed for approximately 1.97 acres of land to Floyd Vernon Chandler, III be prepared in consideration of \$24,101.00.

8. File 40.973 / Road S-1438 (Ross Road) / Richland County

During construction of improvements on Road S-1438 (Ross Road), under File 40.598 in Richland County, near the Town of Dentsville, the Department acquired right of way for Ross Road, by Right of Way Easement from Ira F. Branham dated June 9, 1964 and by Right of Way Easement from Earnest T. McDonald dated June 8, 1964.

A request was received from the adjacent property owner asking the Department to return a small portion of abandoned roadbed, which he gave to the Department by easement in 1964. The right of way for this small portion of road was abandoned and made inaccessible with the construction of Interstate I-77. The request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.42 of an acre of land to Ira F. Branham be prepared.

9. File 37.367 / US Route 76 / 123 / Oconee County

During construction of improvements on US Route 123, under File 37.367 in Oconee County, near the Town of Seneca, the Department acquired right of way for US Route 123, by Condemnation from Christine J. Spearman dated December 29, 1955.

A request was received from the adjacent property owner requesting that the Department convey a small 25' x 35' parcel of right of way off of US Route 123. The Grantee inadvertently installed a church sign within the US Route 123 right of way. The request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel could be conveyed. A Reverter Clause was incorporated in the deed so the Department can reclaim title to the parcel for any reason deemed necessary. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.02 of an acre of land to The United Assembly of God be prepared.

10. File 4.128A / Road S-166 / Anderson County

During construction of improvements on Road S-166, under File 4.422 in Anderson County, near the City of Anderson, the Department acquired right of way for Road S-166 at I-85, by Deed to Right of Way from L. W. Cantrell dated January 29, 1954 and from Faustina Tucker by Deed to Right of Way dated January 29, 1954 and from Wilbert Burial Vault Co. Inc., by Title to Real Estate dated September 14, 2000.

The Department is in the process of constructing improvements to the intersection of I-85 and SC Route 81. The design of the new intersection will close an access to a ramp and will divert traffic access away from an existing business. An agreement has been reached with the adjacent owner whereby the Department will convey a parcel of abandoned right of way that will allow better access for the Grantee and will prevent an inverse condemnation action against the Department. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.48 of an acre of land to Highway 85 Enterprises, LLC be prepared.

11. File 1.266 / SC 252 & S-87 / Abbeville County

During construction of improvements on SC Route 252 & Road S-87, under File 1.266 in Abbeville County, near the Town of Ware Shoals, the Department acquired right of way for Road S-87, by Deed to Right of Way from Mary L. Hall dated May 26, 1952.

A recommendation was received from District Engineering Administrator #2 requesting the Department to convey a small parcel of right of way to the adjacent owner of a country store and service station. It was discovered recently that the gas pumps at this service station are within the present right of way of Road S-87. It is believed that this situation has existed since the right of way was acquired from the same family at no cost. The Quitclaim Deed will contain a Reverter Clause, which will allow the Department to reacquire the parcel for any reason deemed necessary. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.01 of an acre of land to H. M. Hall be prepared.

12. File 23.327A / Interstate I-385 / Road S-453 / Greenville County

During construction of improvements on Interstate I-385, under File 23.327A in Greenville County, near the Town of Simpsonville, the Department acquired right of way for Road S-453, by Title to Real Estate from Patricia B. Lee dated November 16, 2000.

The Department acquired the subject parcel due to damages to the property caused by new construction. It was determined that the remainder of the subject tract of land was surplus to the Department's needs and should be put up for sale. The property was marketed to the general public with signs, newspaper ads, and all necessary means to attract qualified buyers at the highest acceptable price. The Grantee offered an acceptable price for the property. Therefore, it is recommended that a Gratis Quitclaim Deed for approximately 0.70 of an acre of land to Benjamin L. Wilson be prepared.

13. **File 24.423 / SC Route 225 / Greenwood County**

During construction of improvements on SC Route 225, under File 24.423 in Greenwood County, near the City of Greenwood, the Department acquired a control of access right for SC Route 225, by Right of Way Easement from Abney Mills dated April 19, 1971.

A request was made from District Engineering Administrator #2 for the Department to consider a change in the location of a control of access. The present location of the opening in the access is not functional to the adjacent property owner. The requested new location of the access opening would be moved approximately 200 feet east to be centered at a property line, which would serve two properties. A request was circulated to the Engineering sections to determine if said break in the control of access could be shifted. After review it was determined that the shift in the break in the control of access was acceptable. Therefore, it is recommended that a conveyance for change of access be prepared.

Recommendation – May, 2002

Request for Professional Environmental Engineering and Consulting Services

The Department requests Commission approval to advertise for and select several consultants to insure our adherence to all of the environmental regulations (i.e. hazardous waste, underground storage tanks, industrial wastewater, storm water run-off and all other regulations pertaining to our shop and maintenance operations). These consultants would also evaluate any sites where a potential problem exists and develop a solution for the Department.

The period covered by this contract will be two years. Funding for these services will be on a project by project basis and will be provided from various federal and state project funds.

Recommendations – May, 2002

Request for Professional Engineering Services

The Department requests Commission approval to advertise and select engineering firms to provide construction engineering and construction inspection (CE/CI) services on an “on call” and “as needed” basis. Contracts will be for a period of three years. Services will be performed on those projects which the Department does not have adequate staff and/or expertise to perform in-house.

Recommendations – May, 2002

Request for Professional Engineering Services

The Department requests Commission approval to advertise and select engineering firms to provide construction engineering and construction inspection (CE/CI) for the Bobby Jones Expressway project. The CE/CI services will be required for the bridge structure and all roadway work associated with the project.

Recommendations

REQUEST FOR PROFESSIONAL ENGINEERING SERVICES

The Department requests Commission approval to advertise and select a consulting firm to provide engineering services for the Georgetown Drainage Improvement project. The work will involve tunneling, pump stations, other drainage structures.

At present, the Department does not have sufficient staff and expertise in the design of all project features for which commitments have been made. Therefore, professional engineering services will be needed.

The work will include environmental documentation, design, plan preparation, and construction support. The estimated cost of this work is \$700,000. This project is a Significant Project in the Highway Improvement Match Program and is funded with a combination of federal highway funds and local funds.

Commission Recommendations – May, 2002

Contract Modification No. 1, PIN 27738, Project Number SIB-SB02(001)
File Nos. 02.885, 02.885.1, 02.885.2, 02.885.3, 02.885.4, & 02.885.5
Bobby Jones Expressway Phase 1 – Aiken County, South Carolina

The Department has entered into Contract Modification No. 1 with Earth Tech, Inc. to provide final plans and special provisions necessary for the construction of Phase 1 of the Bobby Jones Expressway from Sandbar Ferry Road in Richmond County, GA to US-1 in Aiken County, SC. The cost of this Contract Modification is \$925,055.58. Funding for this project is being provided through the State Infrastructure Bank.

This contract modification is a supplement to the Basic Agreement that was entered into on February 15, 1995.

Recommendations

CONTRACT MODIFICATION

Contract No. 270 - Modification No. 11
PIN 27376, File Nos. 8.125B, 9.110B, 10.136.B, and 38.128B
I-26 - Rest Area Improvements
Berkeley, Calhoun, Charleston, and Orangeburg Counties

The Department has entered into a contract with Arcadis, Geraghty and Miller, Incorporated to provide professional services for rest area buildings on I-26 in Berkeley, Calhoun, Charleston, and Orangeburg Counties.

This work consists of the design and management services for the addition of standby electrical generators and associated work at the listed sites. This work will include initial site investigations, coordination with local utility companies and SCDOT representatives, preparation of detailed construction plans and specifications, assisting with construction bidding, and construction administration services. The cost of the contract is \$87,139.00. The funding for this project comes from Interstate Maintenance Funds.

The Department does not have the expertise or specialized manpower to provide these services; therefore, consultant services are being used. The Basic Agreement for this project was executed on 6/1/99.

Recommendations

Contract Modification 1401-2002, PIN # 24161, Project # HPP-0771 (001),
File # 20.574, I-77 Interchange at S-30 (Peach Road)
Fairfield County, South Carolina

The Department has entered into Contract Modification 1401-2002 with Ralph Whitehead Associates Inc., to do additional hydrologic and hydraulic design study not covered in the previous contract for the above project. The cost of this Contract Modification is \$9,501.27. Funding for this project is from the High Priority Program. This is the second Contract Modification for this project.

The first Contract Modification 2501-2000 was for the hydrologic and hydraulic design study for roadway drainage and cost \$62,863.79.

This contract modification comes under the original agreement that was approved by the Commission on July 30, 1998.

Recommendations

CONTRACT MODIFICATION

Contract No. 245 - Modification No. 10

PIN 26097 , File 28.119B

I-20 - Rest Area Improvements - Kershaw County

The Department has entered into a contract with Arcadis, Geraghty and Miller, Incorporated to provide professional services for the sites and rest area buildings on I-20 in Kershaw County.

This work consists of the design for the complete reconstruction of the east bound and west bound rest area sites on I-20 in Kershaw County. This work will include surveys and mapping, concept development, right-of-way, and construction plans for the roadway related items and architectural plans for the buildings. The cost of the contract is \$553,192.00. The funding for this project comes from Interstate Maintenance Funds.

The Department does not have the expertise or specialized manpower to provide these services; therefore, consultant services are being used. The Basic Agreement for this project was executed on 6/1/99.

The Department requests Commission approval to perform a Contract Modification to the Basic Agreement for On Call Structure Foundation Testing Services. This Contract Modification (No. 21-99) was made and entered into on January 14, 2002 by and between the SCDOT and GRL for \$6,478.40. The funding will come from the engineering inspection allotment set up for this project. The Basic Agreement was entered into on September 1, 1999.

Project Description:

Replace existing bridge over Grannies Quarter Creek
Route SC 97
Kershaw County
File No. 28.755
FAP: BRT-BR28(002)

Basic	09/01/99	NA
CM 23-99	05-3-02	\$10,982.80

Recommendations: 5/22/02

EXTENSION OF CONTRACT BEYOND CONTRACT LIMITS

It is recommended the Commission approve the extension of the following contract beyond the contract limits as follows:

CHARLESTON COUNTY:

Contract of Bagwell Fence Company, Inc. - File No. 10.132B - extended to include an additional section of Project SIB-GR10(002) (File No. 10.132B) consisting of the placement of median cable barrier on I-526 for a total of 2.40 miles.

Estimated Cost of Extension	\$169,091.26
-----------------------------	--------------

This extension is being requested in order to take advantage of lower unit prices available in this contract as opposed to other contracts currently available for extension in Charleston County.

Recommendations: 5/22/02

EXTENSION OF BITUMINOUS RESURFACING CONTRACTS

TO INCLUDE ADDITIONAL RESURFACING WORK

It is recommended that the Commission approve the action of the Department in extending existing bituminous retreatment contracts to include additional resurfacing work as follows:

DARLINGTON COUNTY:

Contract of APAC Carolina, Inc. - File No. 16.21021 - extended to include leveling and resurfacing (File No. 16.112B) of approach and exit end in the eastbound lane of I-20 at Jefferies Creek Bridge.

Estimated Cost of Extension \$ 39,192.49

HORRY COUNTY:

Contract of Weaver Company, Inc. - File No. 26.57021 - extended to include drainage (File No. 26.990) on US 17 near Cherry Grove.

Estimated Cost of Extension \$ 45,909.25

LAURENS AND NEWBERRY COUNTIES:

Contract of Satterfield Construction Company, Inc. - File No. 30.51021 - extended to include resurfacing (File No. 1.111B) on SC 66 for 7.40 miles.

Estimated Cost of Extension \$134,085.50

These extensions were authorized by the Department prior to formal approval by the Commission since the adjacent work had reached such a stage of completion that the contractors involved could not accept the additional work unless it were authorized without delay.

Recommendations: 5/22/02

EXTENSION OF CONSTRUCTION CONTRACTS

It is recommended that the Commission approve the action of the Department in extending existing construction contracts to include additional work as follows:

BEAUFORT, BERKELEY AND CHARLESTON COUNTIES:

Contract of Banks Construction Company, Inc. - File Nos. 7.117B, 8.117B & 10.123B - extended to include an additional section of Project FAP NH-RFMT(115) (File Nos. 7.117B, 8.117B & 10.123B) consisting of the extension of storage capacity of the existing turn lane on US 17 Southbound at the intersection of SC 162 in Charleston County.

Estimated Cost of Extension \$ 21,777.20

BERKELEY COUNTY:

Contract of Sanders Brothers Construction Co., Inc. - File No. 8.119B - extended to include an additional section of State Project C-119B (File No. 8.119B) consisting of resurfacing a portion of Stanhope Street in the Goose Creek area for 0.13 mile.

Estimated Cost of Extension \$ 17,748.85

DARLINGTON COUNTY:

Contract of Willis Construction Company, Inc. - File No. 21.115B - extended to include the installation of a right turn lane (File No. 21.115B) at the Galey & Lord Plant site on US 15/401 north of Society Hill in Darlington County.

Estimated Cost of Extension \$ 24,470.00

HORRY COUNTY:

Contract of C. L. Benton & Sons, Inc. - File No. 26.987 - extended to include an additional section of Project SIB-GSLA(004) (File No. 26.987) consisting of the installation of a right turn lane on S-1121.

Estimated Cost of Extension \$ 70,127.82

Contract of Weaver Company, Inc. - File No. 26.990 - extended to include an additional section of Project SIB-GSLA(007) (File No. 26.990) consisting of widening on US 17.

Estimated Cost of Extension \$ 73,395.94

PICKENS COUNTY:

Contract of Thrift Development Corp. - File No. 39.674 - extended to include an additional section of Project FAP BST-APCB(001) (File No. 39.674) consisting of the full depth patching and resurfacing on US 123 between US 76 and SC 93 for 0.40 mile.

Estimated Cost of Extension \$ 60,080.09

WILLIAMSBURG COUNTY:

Contract of APAC-Carolina, Inc. - File No. 45.1S - extended to include resurfacing (File No. 16.112B) on Roads S-546 and S-593.

Estimated Cost of Extension \$106,489.51

These extensions were authorized by the Department prior to formal approval by the Commission since the adjacent work had reached such a stage of completion that the contractors involved could not accept the additional work unless it were authorized without delay.

MEMORANDUM TO: D. H. Freeman, State Highway Engineer

PURSUANT TO NEWSPAPER ADVERTISEMENTS ON MARCH 4, 2002, MARCH 11, 2002, & MARCH 18, 2002, THE DEPARTMENT RECEIVED FIFTY BIDS FOR FIFTEEN PROJECTS IN THE HIGHWAY LETTING OF APRIL 9, 2002.

THIRTEEN PROJECTS ARE RECOMMENDED FOR AWARD.

ONE PROJECT IS RECOMMENDED FOR REJECTION.

ONE PROJECT WAS REMOVED FROM THE LETTING.

SUMMARY AND BID TABULATIONS ARE ATTACHED.

G. A. Peck
Contracts Engineer

April 25, 2002

RECOMMENDED FOR AWARD

The following SEVEN projects in the Highway Letting of April 9, 2002, are recommended for award and do not require further concurrence or approval:

<u>COUNTY</u>	<u>FILE NO.</u>
ALLENDALE & BAMBERG	03.110B & 05.111B
ANDERSON	04.163A
FLORENCE	21.131B
McCORMICK	33.2001
NEWBERRY	36.2001
ORANGEBURG	38.102C
YORK	46.101C

The following FOUR projects in the Highway Letting of April 9, 2002, are recommended for award subject to concurrence from the Federal Highway Administration:

<u>COUNTY</u>	<u>FILE NO.</u>
UPPER STATE	47.165B
LOWER STATE	47.166B
AIKEN	02.136B
LEXINGTON	32.172B

The following TWO projects in the Highway Letting of April 9, 2002, are recommended for award subject to approval by the County Transportation Committee:

<u>COUNTY</u>	<u>FILE NO.</u>
GREENWOOD	24.2001.1
GREENWOOD	24.2001.2

REMOVED FROM LETTING

The following project was removed from the April 9, 2002 Highway Letting:

<u>COUNTY</u>	<u>FILE NO.</u>
UNION	44.2001

April 25, 2002

RECOMMENDED FOR REJECTION

The following project in the Highway Letting of April 9, 2002, is recommended for rejection:

COUNTY

FILE NO.

CHARLESTON

10.2001

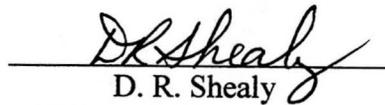

REASON FOR REJECTION: This project is being rejected because of plan errors.
Project will be re-advertised after corrections are made.

H. 4071.

Introduced by Representatives J. H. Neal, Bales, J. Brown, Cotty, Harrison, Howard, Lourie, Quinn, Rutherford, Scott and J.E. Smith.

A CONCURRENT RESOLUTION

TO REQUEST THE DEPARTMENT OF TRANSPORTATION TO NAME THE INTERCHANGE AT THE INTERSECTION OF INTERSTATE HIGHWAY 77 AND SHOP ROAD IN RICHLAND COUNTY THE "LIEUTENANT COLONEL GEORGE D. MARTIN III INTERCHANGE" IN MEMORY OF LIEUTENANT COLONEL GEORGE D. MARTIN III WHO LOST HIS LIFE ALONG WITH SIX OTHER AMERICANS AND NINE VIETNAMESE IN A HELICOPTER CRASH ON APRIL 7, 2001, IN VIETNAM WHILE SEARCHING FOR AMERICANS MISSING IN ACTION DURING THE VIETNAM WAR, AND TO ERECT APPROPRIATE SIGNS OR MARKERS WHICH CONTAIN THE WORDS "LIEUTENANT COLONEL GEORGE D. MARTIN III INTERCHANGE".

WHEREAS, Lieutenant Colonel George D. Martin III was one of sixteen individuals killed in a helicopter crash on Saturday, April 7, 2001, in Vietnam while searching for Americans missing in action during the Vietnam War; and

WHEREAS, born in Richland County, Lieutenant Colonel Martin was the son of George D. Martin, Jr. and Thelma Matthews Martin; and

WHEREAS, he was a graduate of Lower Richland High School and Presbyterian College; and

WHEREAS, Lieutenant Colonel Martin was the commander of the 1st Battalion, 32nd Infantry Regiment, 10th Mountain Division (Light), Fort Drum, New York; and

WHEREAS, he served our nation as an officer for nearly eighteen years with infantry units around the world; and

WHEREAS, Lieutenant Colonel Martin was a veteran of Operations Desert Shield and Desert Storm in the Persian Gulf, Operation Restore Democracy in Haiti, and Operation Joint Endeavor in Bosnia; and

WHEREAS, his military service was marked by successful commands of infantry units and challenging operation officer positions; and

WHEREAS, he was a member of St. Luke's Lutheran Church; and

WHEREAS, he leaves to mourn his death Susan Hayes Martin, his wife of seventeen years, two daughters, his parents, one sister, and a host of relatives and friends; and

538

WHEREAS, it is fitting that the members of the General Assembly recognize the accomplishments and supreme sacrifice of this son of South Carolina in this appropriate manner.

NOW, THEREFORE,

BE IT RESOLVED by the House of Representatives, the Senate concurring:

THAT the members of the General Assembly request the Department of Transportation to name the interchange at the intersection of Interstate Highway 77 and Shop Road in Richland County the "Lieutenant Colonel George D. Martin III Interchange" in memory of Lieutenant Colonel George D. Martin III who lost his life along with six other Americans and nine Vietnamese in a helicopter crash on April 7, 2001, in Vietnam while searching for Americans missing in action during the Vietnam War, and to erect appropriate signs or markers which contain the words "Lieutenant Colonel George D. Martin III Interchange".

BE IT FURTHER RESOLVED that a copies of this resolution be forwarded to the Department of Transportation and Mrs. Susan Martin, widow of Lieutenant Colonel George D. Martin III.

State of South Carolina
In the House of Representatives
Columbia, South Carolina
April 14, 2002

I hereby certify that the foregoing is a true and correct copy of a resolution passed in the House of Representatives and concurred in by the Senate.

THE COMMITTEE ON

INVITATIONS AND MEMORIAL RESOLUTIONS

To whom was referred a Concurrent Resolution (H. 4528) to request that the Department of Transportation name the Williams Street Bridge in Spartanburg in honor of Mayor James E. Talley, and install appropriate markers or signs, etc., respectfully

REPORT:

That they have duly and carefully considered the same and recommend that the same do pass:

RONALD N. FLEMING for Committee.

A CONCURRENT RESOLUTION

TO REQUEST THAT THE DEPARTMENT OF TRANSPORTATION NAME THE WILLIAMS STREET BRIDGE IN SPARTANBURG IN HONOR OF MAYOR JAMES E. TALLEY, AND INSTALL APPROPRIATE MARKERS OR SIGNS CONTAINING THE WORDS "JAMES E. TALLEY BRIDGE" TO RECOGNIZE HIS NUMEROUS AND OUTSTANDING ACCOMPLISHMENTS AS MAYOR OF SPARTANBURG.

Whereas, James E. Talley graduated from Carver High School in 1959 and Livingstone College in Salisbury, North Carolina, in 1963, with a Bachelor of Science degree in Mathematics and Science. He has furthered his education at the University of South Carolina, Converse College, and South Carolina State University. Mayor Talley also honorably served four years in the United States Navy; and

Whereas, Mayor Talley was a teacher and coach within the Spartanburg District Seven School System for twenty-seven years before he retired. He coached football, baseball, and swimming at Spartanburg High School and was an assistant football coach at Wofford College from 1981 to 1994; and

Whereas, James E. Talley has been the Mayor of Spartanburg since May 10, 1993, when he took over after the previous mayor resigned. He was first formally elected by an overwhelming seventy-five percent of the vote in the November 1993 election; and

542

Whereas, Mayor Talley has been involved actively in many organizations, some of which include the South Carolina Municipal Association, Spartanburg Development Corporation, Uptown Optimist Club, Special Olympics, Converse College Advisory Board, Mary Black Hospital Board of Trustees, Omega Psi Phi Fraternity, Commission on Minority Affairs for South Carolina, and the Board of the Appalachian Council of Governments; and

Whereas, Mayor Talley has received many awards including the Wofford College Algernon Sydney Sullivan Award, Wofford College National Alumni Distinguished Citizen Award, "Toast of the Town" from the Salvation Army, the Spartanburg Area Chamber of Commerce Neville Holcombe Citizen of the Year award, and the Kiwanis Club Citizen of the Year award; and

Whereas, Mayor Talley has two children, Diedre and Carlton, and two grandchildren, Tianna and Brandon to whom he is devoted; and

Whereas, the members of the General Assembly, by this resolution, request that the Department of Transportation name the Williams Street Bridge in honor of an enthusiastic and dedicated Mayor, James E. Talley, of Spartanburg. Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

That the members of the General Assembly, request that the Department of Transportation name the Williams Street Bridge in Spartanburg in honor of Mayor James E. Talley, and install appropriate markers or signs containing the words "James E. Talley Bridge" to recognize his numerous and outstanding accomplishments as Mayor of Spartanburg.

Be it further resolved that a copy of this resolution be forwarded to the Department of Transportation.
