I wanted to apply for the 2022 Artist in Residence Program. Did I miss the deadline? I subscribe to your newsletter, but didn't see anything about it.

We have not posted anything for the 2022 Artist in Residence Program. We do not have an application for this program at this time. The person that was handling this program no longer works for us. The program will be delayed for 2022. Please check our website or social media moving forward for info. Thank you for your patience.
