Thanks Tony. Just venting. It just annoys me to no end that we get complaints about a program from a Senator via the Governors Office and the Governors office is the one that funds it.

Sheila,

A Proviso was added to our budget that addresses this problem. We will be talking about this shortly.
This complaint is not new and has reached the Legislature.

This is the second referral we have gotten today for energy assistance/weatherization. This is a

Community Action Agency service funded by the Governors' office. We have this problem every year. We can't get them to return calls to us of the clients. You have no problem calling us when a complaint is made. How do we get the Governors' Office to handle their programs and problems with their sub granted like you do?

Wendy,

Officer Benjamin from the Florence City PD called me about a seventy plus year old that her home was broken into. Her air conditioner was stolen and she is looking for help trying to replace.
676-8800 ext 1049. She is a morning briefing now so you may want to call her around 10. Thanks.
