**Subject:** Fwd: draft Heritage industry list

Here's an initial list. This does not have new prospects. We'll identify those in a few weeks based on project timelines. This list was created by picking the top industries by employees, recent announcements and current expansion evaluations. I have list 'A' or 'B' to indicate which list. As you know we are inviting 'and guest' so have to assume their guests will play golf which limits our initial invites, hence and A and B list.
