CHANEY: Attached please find two documents, a letter to Governor Haley inviting her to be the keynote speaker at the March 27th Toner Prize Celebration in Washington and a fact sheet. I would appreciate your confirming that you've received both and can open them without trouble.

As I say in the letter, the prize and event are part of a program that the kids and I helped establish in Robin's honor at her alma mater, Syracuse University. If Governor Haley and her staff decide that she will accept this speaking engagement, I would appreciate you letting me know so that I can get Syracuse University Chancellor and President Kent Syverud and Newhouse School of Public Communications Dean Lorraine Branham to send a formal University invitation.

Concerning timing, I would deeply, deeply appreciate a decision by the week of Jan. 23rd. I'm painfully aware that this will be less than a week into the new administration and all the sticks will be up in the air. But I'm going to need to put down a substantial deposit on the event space at the Center for Strategic and International Studies in Washington, and I need to know where I stand as far as a keynoter. I may be able to stall the Center staff until the beginning of following week, but certainly no longer. Anything you can do for me on this score will be hugely appreciated.

Again, my contacts are this email or C: 202-251-3945 or LL: 202-363-6903.

Best, and thank you -- Peter Gosselin
