---

Dear Kevin Bryant

We are excited to kick off the 30th [Children's Miracle Network Hospital Campaign](#) that will run from September 21 to October 29. Since 1987, Walmart, the Walmart Foundation, and Walmart and Sam's Club associates, customers and members in the U.S. and Canada have contributed more than **\$930 million dollars to their communities' CMN Hospitals**.

Money is raised primarily through a register campaign where customers and members donate \$1 or more at checkout. Associates also fund raise in other creative ways, including bake sales, in-store contests and events. These funds impact each of the 170 Children's Miracle Network Hospitals, which treat one in 10 children across North America. The money raised at local stores is directed to a nearby CMN Hospital to help sick and injured kids get the care they need. Hospitals use the funds based on what they need most — typically providing lifesaving equipment and research, supporting top therapy programs and providing charitable care.

Also, follow [#HelpKidsLiveBetter](#) to track CMN Hospitals Campaign activity on social media.

Sincerely,

Brooke
