The outcome of the assessment shall be a plan developed with the family for appropriate placement of the child, other than at the John De La Howe School, whether out-of-home or with the parents or guardians, and appropriate services. The plan shall be completed no later than August 15, 2014. Funds appropriated for this purpose shall be available to assist the parents or guardians with one-time transitional assistance for placement and/or services for no more than 55 children who are students at the Joh De La Howe School on July 1, 2014, at no more than \$97.00 per day for no more than 365 days. The funds appropriated for these transition assessment and services shall be appropriated, managed and disbursed by the _____ [insert your choice of one of the aforesaid four named agencies]. Lillian

Lillian,

Thanks again for taking the time to catch-up earlier. Do you mind taking a look at the attached and making whatever edits you consider appropriate? Thanks.
