Hi Deb,

Attached please find our revised tracked changes and comments in preparation for tomorrow's teleconference with ACT. As we discussed, I wasn't able to un-protect the document, so I inserted comments where the State could / could not accept ACT's changes, along with our notes from today's meeting.

Norma and I will call into the meeting at 9:30AM tomorrow. Thanks again for sending the conference bridge information!

Have a great evening,
Christy

Hi Deb,

Norma was at a conference last week, but we made it our first priority to review ACT's redlined document this

morning. Our review concluded at 2:00PM today... there were extensive changes from the document that we sent to DEW on April 29th, so reconciling the two and considering all of the proposed redlines and comments took some time. I apologize for moving our meeting from today to tomorrow; however, it is our hope that our thorough review today will help make our discussion tomorrow as efficient and effective as possible – and that it will be fresh in our minds for the teleconference with ACT on Wednesday morning.

Attached please find our tracked changes and comments for your review. We look forward to seeing you tomorrow at 2:30!

Thank you,
Christy

Christy and Norma,

Attached is what we received back from ACT. Derrick, Elisabeth and I would like to meet with you on Monday to discuss the changes and comments made by ACT, if that is a possibility.

We are scheduled to have a meeting with ACT on Wed. June 5 at 9:30 a.m. We would very much like you to participate on that conference call, too.

Thanks,

Deb
