Dear Conservative,

I'm the Governor of Louisiana and I have a very important message for you today: We could lose the runoff for Mary Landrieu's Senate seat. **We need your help today** .

You see, ever since Election Day, Democrat campaign operatives from across America have been streaming into our state, determined to do everything they can to make sure that Mary Landrieu is re-elected. They are fighting tooth and nail, and doing everything in their power to keep Mary Landrieu in the Senate.

Conventional wisdom by the so-called "experts" is that Republicans have a slight edge here, but we cannot let up.

The Louisiana Republican party is on the front lines here, fighting to make sure that we have a fair election and pushing back against the tide of Democrat campaign operatives who have descended on our state.

We've got just 6 days left until the runoff . **We need your help--badly** .

Please see the message below from the Chairman of the Louisiana GOP, Roger Villere, and help us win this Senate seat today.

Sincerely,

Bobby Jindal
Governor of Louisiana
