Meet the Turners from Blacksburg, SC! This family recently became Ultimate Outsiders finishing at Dreher Island State Park. Word is, they completed their last 20 parks on Memorial Day weekend. 20 parks in a weekend -- that's awesome! Learn how you can participate at: <http://bit.ly/K743X2>

Joyce McCarrell Congratulations!

Jay Kraft What's the point? Pulling into a parking lot, getting a stamp, and leaving can hardly be considered visiting the park. Kind of defeats the purpose of the program.

Traci Dalrymple Riley Michael B Henderson this is something I see you and Cathy doing

Michael B Henderson I would like to do it, but I think 20 on one weekend would be a little too much for us. But we just might try to visit them all in the next year.

Joe Evans Congratulations but noway you enjoyed each park if you visited 20 parks in 2 days. So much history and trails to hike if done properly.

Tonya Hughey Turner We actually did 12 parks to finish up. But we did do 20 in one weekend to start. Most we had already visited before this started so we just went back for the stamp. But I do agree...you need to see and do everything the parks have to offer to become a true ultimate outsider.
