Yes. Inside. I will send you a photo in a bit. But is the stage on air now with Maria FBN.

The best spot to arrive -- and I will meet you -- is the loading dock area. It's a straight elevator ride to the set.

Thanks Lee,

So we will inside the coliseum now?

Any guidance on the quickest point of entry to find y'all for Rob and I? We will be advancing the governor.

One change from that is our main production set (not the debate stage) is now ready for use and is where we'd like to place the Governor tonight. It has our best lighting and audio. My guidance is a window from 1745 - 1815. For the taped interview. Lee 202-297-6509.
