Ms. Haley,

I don't know how I'm supposed to go about this but here goes...

Two years ago my Ex Husband lied expedited a child custody case cause he knew I wouldn't be able to make it, and stole my kids from me as well had it wrote in the divorce I was not allowed to see my Children. (Jeremy, just turned 9, Jorgia, just turned 6..missed both birthdays not even a call :*()

OK back on track...

Jason (ex) Has been arrested for sexual contact with minor under 16! Domestic violence, possession of firearm and ammo. By a felon, scheduled four drugs. Because of that chain of events my children are now in custody of S.C Dss. Since April 29th.

As soon as I was aware of this I went straight to Greenville to check on them. I was able to see them once and have been to three court dates which has done nothing about my Children sitting in foster care with strangers and not at home with family to show them love.

The best part tho Ms. Haley is that Greenville Co DSS allows this Monster to visit my babies AND BECAUSE OF A DIVORCE DECREE I CANT!! NOT EVEN UNDER SUPERVISION???

I come to you with only the basics of this unbelievable story, and a mother's desperation to once again be with her Children and be able to protect them.

Feel free to contact me any day any time for more information.

Respectfully,

Jennifer Winter
