Here's a wintry shot from Lee State Park taken by Ranger Laura Kirk. Wonder if we'll get any snow this winter. What's your prediction?

Millicent Derrick Wolfe I hope we ALL get some snow ... It's fun, pretty, and kills off some bugs, too. :)

Gwen Morton I predict snow...a lot. Will be much colder than normal. This has not been a normal weather year. Hottest part of summer here in the South was in June...usually August and September hold that record heat.

James Robert Smith Well, we didn't get any last year. Not really. I was only able to hike in snow one time last year, and that was high up on Grandfather Mountain in NC. We really didn't even have a winter last year.
