Subject: Thank you for your efforts to fix the infrastructure bank!

Dear Nikki Haley (R),

Thank you for your work on a compromise to the roads bill.

Reform to the infrastructure bank is a crucial part of the roads bill. Fixing the infrastructure bank by folding it into the DOT will eliminate the parochialism that got us to this state of road damage and congestion in the first place. It is about spending our resources wisely.

The amendment to give DOT veto power over the STIB selection process is an important step forward. Please continue to support STIB reform and keep the infrastructure bank accountable to the statewide planning process and the people of South Carolina.

I am ashamed by the poor condition of the transportation infrastructure in South Carolina, and I am willing to pay higher taxes to improve it.

However, I was not willing to pay more taxes, or even see our current taxes, just to see those monies wasted on unnecessary projects that have minimum benefit to the citizens of South Carolina.

Sincerely,

Martin Remick
