I got the same call and never got my script from the governor's office last week. Where do we park?

I never received an email about parking for my handbell choir members or especially about unloading all our bells, and heavy equipment. Please send me that email. I was also told that I would receive a list of the timing of the before the program warm ups, etc. I have not received any emails since our last meeting. The lady from the Governor's office called me and asked for my email, but I never received anything. I have to let me choir know TONIGHT. PLEASE, respond TONIGHT - ASAP. Thanks for you help.
