The HCBS Conference is around the corner!

**Join us for the National Home and Community Based Services (HCBS) Conference
held in Washington, DC, August 29 - September 1.**

Hear from Leading Technology Innovators

We are gearing up for another exciting [HCBS Conference](#), and we are looking forward to having you join us!

Our Thursday Plenary will include three speakers who are leading the way in innovative technologies. Our panel of speakers will share their real-time solutions-accessible both in and outside of the office environment-to advance long-term services and supports.

This year's conference will have a strong technology track. Learn about new apps, expanded health IT, statewide networks, and more! States have developed innovative technologies or partnered with vendors in the field in improve how services are provided to older adults and people with disabilities.

With **four** exciting plenaries, nearly **100 workshops**, and the **largest exhibit hall** to date, the HCBS Conference has quickly become the "go-to" conference for learning in the expanding field of long-term services and supports.

The conference is less than 3 weeks away!
