Have you ever met an Ebony Jewelwing Damselfly? Maybe you thought it was a butterfly or a dragonfly -- when actually it was a damselfly. They are best described as the little cousin of the dragonfly. Ranger Stacey is here to tell you all about them, so you can impress your family & friends next time one flutters by! #NowYouKnow

The Ebony Jewelwing Damselfly

Kathryn Braun Fenner What is making the shrieking sound in the background?
