Ranger Laura is here to tell us what all of the "buzz" is about this week! It's National #PollinatorWeek! Don't think bees, butterflies, beetles or other pollinators are important? Think again! Without pollinators, humans would NOT survive! Watch this video. We guarantee you'll learn a thing or two!

National Pollinator Week, June 21-27 - From Andrew Jackson State Park!

Adam Wyatt Great video Ranger Laura!

Laura Snow Hawkins Thank you Ranger Laura! Native bees play a huge part in pollinating our food plants. I help protect them by staying on the trails. Native bees often nest in the ground by our trails & roads. Wanna know more? Go here:

<https://www.pollinator.org/pollinator.org/assets/generalFiles/Enhancing-nest-sites-for-native-Bee.pdf>
