I was at Sesquicentennial park the other day and do not understand why sc national guard are the only ones that get a discount for the park. They are not only one serving SC. It should be all military not just one.

Michael - The decision to offer park passports at a discount to South Carolina residents who are 65 years of age or older, 100% disabled or active members of the South Carolina National Guard was a result of legislation from the early 2000's.

Please know, South Carolina State Parks appreciates all Veterans and the sacrifices they and their families make, and have made, for our Nation!

I'm sorry but it don't seem like it since you don't give discount to all. This needs to be changed as national guard is not the only ones defending our freedom.

This the only place I have ever heard of giving discount to only one type of military service
