Tony,

We'll register you and there'll be no charge for attending. Just your lodging expenses and incidentals are on your agency dime—the breakfast and lunch and sessions are on us as a way to say thank you and entice you to become an active and regular attendee of our conference!

I look forward to meeting you.
Bob

Bob,

Thanks for the info. I have reserved a room for Monday night. Do I need to register and what fees do I need to pay? I plan to eat breakfast Tuesday morning and attend the luncheon. I will attend some of the Tuesday sessions but have to be in the office Wednesday morning.

There will not be a Powerpoint. I be prepared to speak about our program and answer questions.

If there is any other information I need, just let me know.

Thanks.

Tony Kester

Mr. Kester,

Greetings. As promised, I would provide update information Re: the session you agreed to speak at in Myrtle Beach. The logistics are included in this e-mail with a few clicks...

1. Follow the TASC Marriott Page for lodging info/hotel directions, should you decide to attend the full day of sessions. We encourage you to "try out" our conference to see if it something you might participate in on a longer term basis.
2. Follow the updated agenda link and you'll see your session on Tuesday, March 5th. You and Tony Keck are the panel. Don't worry about the session description too much. Talk about what's important to your agency and the trends related to transportation options. You'll have providers from across the state listening in so use it as an opportunity to soap-box, inform and capture great feedback.

3. No Powerpoint required. If you have a presentation package available, let us know and we'll have multimedia available for you.

I have CC'd Mr. Shaun Gaines from Clemson's technical support team—he's our conference guru so if you have any questions or need any special information, reach out to both of us. Any new details that emerge, we'll update you.

Bob Schneider
