Subject: Violence Prevention Live Webinar Training June 5

Access the following training right from your desk:

Live Webinar - De-escalating Potentially Violent Situations™

June 5 from 1pm - 2pm (CST)

For those who work in an environment where there is potential for violence, it is important to develop the skills needed to defuse dangerous situations. This webinar will focus on how to de-escalate potentially violent situations through assertiveness and interpersonal communication. Participants will gain a clear understanding of how to assess the potential for violence and respond with a diverse set of interpersonal tools and strategies designed to defuse potentially violent situations.
