"To see one of our existing companies succeed to the point that it is able to continue to invest and create jobs here is a real reason to celebrate. RMF's \$16 million investment, and the 40 new jobs it will create, will make a real difference in Greenville County, and we couldn't be more excited that this fantastic company continues to show its commitment to our state and to our people." –Gov. Nikki Haley

Good morning,

Thanks for all of your help with our FIVE releases so far this week! We only have one more to go – tomorrow's RMF release (draft attached). So, I wanted to follow-up regarding a quote approval. Is there any way we can get it by the end of the day? Please let us know if you have any questions or concerns.

RMF draft quote:

"To see an existing South Carolina company, not only succeed but, expand its operations within our borders is always cause to celebrate. We congratulate RMF on all of its success in Greenville County and the 40 new jobs they are bringing to our Upstate community." –Gov. Nikki Haley **[DRAFT QUOTE, NOT YET APPROVED]**

Thanks again,
Jeremy
