Subject: RE: EMD Update - Pinnacle Fire in Pickens County

Kim Stenson is on scene in Pickens to assess the fire. Here is his update:

- The fire area now at 2300 acres but is 25% contained. Operations are expected to last several more days and total burn area could possibly be in the 5-6000 acre range.
- There is a possibility of conducting another evacuation of approximately 200 homes along Hwy 11. Officials are doing house-to-house checks today and helping residents remove flammable debris from their yards.
- Unified command is working well and they have a good plan, receiving a lot of support through Firefighter Mobilization.
