

and watch the news every day
and see how family have
to ask for help. Please
check into this problem
and make it a law.
~~It~~ should be.

Thank you!

God Bless!

it had easier on them.

And, little some at the pain
that, they are going through
over that, love one

I mean death happen sudd-
enly, it caught some family
member off guard.

And, they don't have no
where to get the money
for funeral or burial.

It, should be some
kind of law that, if a
person died naturally,

suddenly or accidentally
that, family should be
able to get that, person
money to take care of
funeral and burial arrang-
-ement and be able to
keep the rest for their

self. Sure the government
only give \$255.00 And,
funeral now cost over

\$9000

you should make this a
law!!

I read the newspaper

Dear Governor Haley,

I am in, with, and this

question, coming over my

mind for some months

now. And I would please

like to have it answered

back by you.

I want to know all these

years that a person was

And, they did before where

ment. And, the family don't

have the money for funeral

arrangement. And have to

struggle to get the money

we have to beg for money

for their loved one funeral.

When they left all their money

behind from his where they

work at all these years

on it!

Can't the family get

that, money. It will make
