**Subject:** Draft of Workers Compensation Response Letter

---

Ted,

Thank you for the opportunity to speak with you today. The draft copy of the letter I will be sending to Mr. McConnell and Mr. Harrell has not been reviewed by members of my committee. The current draft also contains a statement that is unclear in its intent and requires re-wording. I anticipate that the revised draft will be forwarded to the committee today with responses requested back to me no later than the end of business tomorrow. My opinion is that the re-worded draft will be acceptable to the committee. Upon review of the committee's responses and recommended changes I will then forward the draft onto you and Christian for review and comment. After your comments I will then send the final approved letter to Mr. McConnell and Mr. Harrell with a courtesy copy to the Governor. My objective is to be able to send out the final letter no later than Wednesday of next week.

Again, thank you for your time.

Sincerely,

Monty Felix
