I just want to be crystal clear.....when you say, 150 - 200 invitees, that to me equates to potentially 300-400 guests. Correct?

Thanks!

Angie,  
I wanted to make sure you aren't waiting on us for the ordering the invitations - *the final master list will have 150 – 200 invitees.*  
Once approved - I will email the master list to the group.  
Thanks, KV

Hello all,

Attached is the final version of the invite. We are ready to go to print. The governor's seal will be in gold. Speak now or forever hold your peace. ☺ I just need an estimate to order the invites.

Also, I spoke with Simon this morning and I will work with Bill on getting the contact information for Fluor and Care Core and others for you. We have volunteer distribution today and tomorrow and most of our staff is out of the office so bear with me.

Thanks.
