Subject: I need you now

Friend,

Last night we won the first stage in our fight to beat back the full force of the establishment.

But this fight is FAR from over.

With three other candidates in the race splitting the vote, I wasn't able to break the 50% threshold required to avoid a runoff . . .

. . . and now I'm facing the ENTIRE liberal establishment in a head-to-head matchup on Tuesday, June 28.

That's why I need to ask you for a very critical, personal favor -- and I MUST hear back from you immediately.

Can I count on you to chip in a contribution to my campaign's Emergency Runoff Fundraising Blitz?

For the past several months, I've faced vicious attack after vicious attack from the powerful special interest lobby -- including Al Gore and Hillary Clinton's radical environmentalist pals.

But fighting off their smears and attacks took a lot of resources.

And as a result, my campaign coffers are almost depleted.

Friend, this is an all-out emergency.

Without your immediate support, I'm afraid I won't have the resources it's going to take to win the runoff election on June 28.

In fact, after pouring through the numbers all day, I must raise \$10,000 by midnight on Wednesday, June 22 in order to run an effective grassroots campaign.

That's why I'm counting on you to make the maximum contribution you can possibly afford at this time.

Believe me, I understand only a few people are able to afford \$1,000 -- the

maximum legal amount under South Carolina state law (previous contributions are reset for the runoff election).

But if you are such a person, I believe this runoff race is an investment worth making.

But I also understand that \$25 or \$50 may be all many folks can give.

In fact, I know for some even \$5 or \$10 is a sacrifice.

All I'm asking is that you help me continue to stand and fight for our liberties and values by chipping in whatever you can to my campaign.

Friend, the Big Government establishment knows I'm not one of "their guys."

And they want nothing more than to see the "fire brand" candidate go down in flames this election.

So over the next two weeks before the June 28th runoff election, the big business lobby and Hillary Clinton's allies are coming after me with everything they've got.

I've stood in the gap against the tyranny of Big Government during my entire time in Columbia.

Now I'm counting on you to help fill the gap by chipping in a contribution to my campaign to help fight back.

Thank you in advance for your support.

In liberty,

Lee Bright
