Mount Franklin Foods Establishing New Sumter County Operations *Company Investing \$10 Million To Create 225 New Jobs*

COLUMBIA, S.C. – Mount Franklin Foods, a leading North American manufacturer of high-quality candy and nut products, is launching new operations in Sumter County. The project is expected to bring \$10 million in new capital investment and lead to the creation of 225 new jobs.

Based in El Paso, Texas, Mount Franklin Foods employs more than 2,800 team members across North America, supplying major retailers, wholesalers and foodservice distributors. With four manufacturing plants and a net operating space of more than one million square feet, Mount Franklin Foods is one of the largest foodservice distributors in the United States.

To accommodate continued growth, the company is upfitting its new Sumter County operations, which are located in the Live Oak Industrial Park, with state-of-the-art equipment. Expanding beyond its current focus as multi-line candy business, Mount Franklin Foods plans to add both organic and nutraceutical products that are fortified with multivitamins, probiotics and other ingredients. Hiring for the new positions is projected to begin in the first quarter of 2017, and [readySC](#) will assist with the recruitment process.
