To select leading women of Indian origin in USA to be part of an Elite Delegation

Honorable PM Shri Narendra D Modi's visit to New York during September 2014 UN Meet

You are admired amongst leading honorable women of Asian Origin in the USA who have done so much during their lifetime through their credible and praise worthy personal and professional achievements to make India proud all over the world!

Preparations by leading members of the Indian community to make this a historic, landmark event are being undertaken with the cooperation of various community groups.

Honorable Shri Narendra D Modi has been requested that it will be a privilege to have him meet a small delegation of twenty one women to personally meet and greet him on Sept 28th, 2014. We are very hopeful of his approval and acceptance and would like to have you as part of this elite delegation.

Our commitment and cause for women issues in India like women in politics, seat reservation, protection & safety, personal needs, education, health & hygiene, arts & crafts, professions, business entrepreneurship etc.

We would appreciate your suggestions and endorsement of a cause through your business, corporation, professional or personal contribution to better the future of women of India, uplift their honor, status, respect and pride.

If we are successful in getting to meet Hon. Prime Minister, we would all be able to convey our suggestions to him personally.

We welcome you to be a part of this proposed prestigious meeting.

Best Wishes,
