Dear Anthony,

Today's the day.

#GivingTuesday is about supporting the causes you believe in. It's about turning your beliefs into real action that can change lives.

We know you care about America's seniors, especially those who are struggling to make ends meet. And you care about your own future as you age.

Donate to NCOA right now to show you #StandWithSeniors and their families.

NCOA has believed in seniors for more than 65 years—and we're committed to action.

When the new Administration and Congress come to Washington in January, we'll work to find practical, bipartisan solutions to keep all American seniors healthy, secure, and independent. We'll work to defend and improve critical programs like Medicare, Medicaid, and the Older Americans Act—for seniors today and tomorrow.

You can trust NCOA to put your donation to work. In 2016, we spent 95% of income on programs that improved the lives of 840,000 older adults. We're also a top-rated charity and qualified 501(c)(3) tax-exempt organization.

#StandWithSeniors today, and protect your future.
