TechHire — training workers for a well-paying job

Boosting retirement options

Millions of workers lack access to an employer-sponsored retirement plan. Now, [new guidance](#) sets the stage for more states to create options that help people save for retirement at work.

Enroll for health care

DOL Working For You

Sparking a career

Todd Stafford didn't know anything about electricity when he graduated from high school, but an electrical construction apprenticeship program sparked an interest that has led to a fulfilling and successful career.

Blog Highlights

Getting to work

A job is meaningless if you can't get to work. Share your ideas on transportation for people with disabilities.

Fighting fires

Job Corps aims to give students real-world training — and it doesn't get more real than battling wildfires.

Ending black lung

New rules will help protect miners and end black lung, fulfilling a promise made in 1969.
