## **Gotta LoveTexas**

**\*\*\*The City of Dallas, Texas passed an ordinance stating that if a driver is pulled over by law enforcement and is not able to provide proof of Insurance, the car is towed.**

**To retrieve the car after being impounded, they must show proof of insurance to have the car released.This has made it easy for the City of Dallasto remove uninsuredcars.**

**Shortly after the "No Insurance" ordinance was passed, the Dallasimpoundlots began to fill up and were full after only nine days.**

**Over 80%of the impoundedcars were driven by illegals.**

**Now, not only must they provide proof of insurance to have their car released, they have to pay for the cost of the tow, a\*\$350fine, and \*\$20for every day their car is kept in the lot.**

**Guess what?**

**Accident rates have gone down\*47%and Dallas' solution**

gets uninsured drivers off the road **\*WITHOUT\*** making  
them show proof of nationality.

I Wonder how the

Holder's US Justice Department

will get around this one.

\* \* \* \* \*

**\*\* Just brings tears to your eyes doesn't it? \*\***

**\*\*\*GO Dallas\*\*\***

A Gov't that can give you all you want, Can Take All You Have.
