The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Honorable Haley,

Please allow me to thank you for all your hard work for the citizens and the state of South Carolina. It is refreshing and encouraging to have a leader of your character and dedication running our fine Palmetto State of South Carolina.

I am writing as I too want to give back to the state and county of Horry which supported my educational efforts. I have applied to the Department of Health & Environmental Control-EQC Environmental Services in Horry County for a position and I am also looking for positions with the Department of Natural Resources as I have related experience with them through internships.

I know you are very busy but if you have any advice or helpful suggestions that would assist me in joining the workforce with one of these two agencies I would be most grateful. The enclosed documents will give you a reflection of my person.

Sincerely,

Alan P. Gore

Department of Health and Environmental Control
Horry County, South Carolina

Dear Sir or Madam,

I recently graduated from Wofford College with major in Environmental Studies. I have experience with the United States Department of Interior U.S. Fish & Wildlife Service Waccamaw National Wildlife Refuge, Georgetown, SC, Department of Natural Resources, Conway, SC and North Inlet Estuary (Hobcaw Barony) Goat Island and Waccamaw Wildlife Refuge, Georgetown, SC. My capstone research project in my junior and senior years at Wofford College was a concentration on the impacts of sea level rise on two Coastal Ecosystems, (Tidal Freshwater and Salt Water Wetlands). In this study I learned of the impacts presently affecting our local wetlands and wildlife, future projections and the plans in place to educate the general public of their responsibility to positively impact the environment.

I am a native of Little River, S.C. and was educated in the North Myrtle Beach Schools. I have strong family ties to the area and I am grateful for the strong beliefs, ethics and values I was taught growing up in a single parent environment. It is my desire to stay in the Horry County, enriching and giving back to these communities which assisted me in my educational journey.

While in college I was a committed fulltime athlete on the Men's Soccer Team, a fulltime percussionist for the Wofford Terrier's Pep Band while obtaining a solid academic major in Environmental Studies. You can see that I know how to budget my time and I have a structured work ethic.

I am very interested in a career with the Department of Health and Environmental Control and I will do everything in my power to advance the organization and exhibit a professional business relationship with the customers and public. I do have a lot of experience in coastal environmental wetlands and current issues, working and communicating as a team member and developing solutions. My past experiences prove my loyalty, my commitment, my dedication, my work ethic and my passion to give back to my communities.

Sincerely,

Alan P. Gore

Wofford College Interim Committee
c/o Boyce Lawton

To Boyce Lawton,

I will be Alan Gore's sponsor for the internship described in the attached Goals and Objectives for Waccamaw National Wildlife Refuge during the winter of 2014. Alan participated in a refuge sponsored research project during the summer of 2013 and represented himself and Wofford College in a very professional manner. We look forward to working with him again this coming year.

Sincerely,

Marshall Craig Sasser
Refuge Manager - Waccamaw NWR

Scholarship Committee
Guy Daniels Memorial Foundation
Wofford College
Spartanburg, SC

Dear Scholarship Committee:

I am writing this reference at the request of Alan P. Gore, who is applying for the 2013-2014 Guy Daniels Memorial Foundation Scholarship at Wofford College.

I have known Mr. Gore for three years in my capacity as an Adjunct Professor in Jazz Studies and Director of Athletic Bands and Jazz Ensemble at Wofford College. Alan Gore has been an exceptional student in the Jazz Ensemble class and an outstanding member of the Wofford "Thundering Terriers" Pep/Athletic Band. I would rate Alan's academic performance in my class as superior. He has been able to balance the commitment of performing for the college (approximately 90 hours per year) with the challenges of team athletics and the academic rigors of Wofford College.

In conclusion, I would give my highest recommendation to Alan P. Gore for this scholarship. If his performance, commitment and leadership in my class/group are any indication of his worthiness of the scholarship, I would definitely give Alan top consideration. Rarely do we find such a well-rounded student in academics, athletics and the fine arts as we see in Alan.

If you should need any additional information, please feel free to contact me at

Sincerely,

Ron "Doc" Miller
Wofford College, Adjunct Professor
Director of Athletic Bands and Jazz Studies
